

Partner Integration

Take your automated payments to the next level with AvidXchange, fully integrated with M3 in both **M3 CoreSelect™** and **M3 Accounting Core™**. This partnership brings unparalleled automation, efficiency, and security to your payment processes, freeing up time and resources to focus on what matters most—delivering exceptional guest experiences.

TRANSFORM YOUR ACCOUNTS PAYABLE PROCESS WITH M3 & AVIDXCHANGE:

Integrate with M3

API integration to automatically sync payments from M3 without the need for additional data entry.

Send Payments

Securely send payments through the AvidPay Network – with supplier enrollment managed by our dedicated team.

Reduce Processing Costs

No more printing checks or paper invoices – save time and money by automating vendor payments electronically.

Improve Control & Visibility

Configure custom, automated approval workflows to streamline processes while also enjoying online access.

✓ Maximize Efficiency:

Eliminate manual processes and paper-based workflows by automating vendor payments directly from your M3 platform.

✓ Enhanced Security:

Benefit from industry-leading encryption, multi-factor authentication, and secure vendor networks to protect sensitive account information.

✓ Faster Payments:

Implement quickly and easily. Get up and running with minimal disruption to your day-to-day operations in as little as 45 days.

Discover a better way to manage your accounts payable with M3 and AvidXchange—efficient, secure, and built for hospitality.
