

Partner Integration

Your One Solution for Payroll, HR, Benefits, & More

Attract, hire, and pay associates across your properties with Inova’s highly configurable human capital management platform.

- ✓ Cloud-based platform with a single login for multiple companies
- ✓ Flexible recruiting with job board integration and quick apply for high-volume/high-turnover roles
- ✓ Applicant tracking with customizable hiring stages and dashboards
- ✓ Electronic new hire onboarding with checklists, reminders, and E-Verify integration
- ✓ Payroll with garnishment wizard and pay rules engine to handle shift differentials
- ✓ Compliance and reporting: new hire, EEO, Vets 100, workers’ compensation, OSHA, and ACA

API Integration with M3

M3 and Inova continuously work together to create a comprehensive and integrated offering tailored to the unique requirements of hoteliers and hotel management companies.

- ✓ New hires and job/rate changes move directly from Inova HCM to M3 Labor Management, eliminating the need to export and import files
- ✓ Data exchange with M3 Accounting Core GL
